

# ALMOST HOME Holiday Giving

**J**ust like all parents, our teenage mothers want to give their children gifts at Christmas. Through your donation of toys, clothing, outerwear, and personal items, our young women can "shop" (everything is free), wrap, and surprise their children with gifts and personal items on Christmas morning. Christmas is a time for giving, and our teenage mothers need to feel that same joy. You can help us do that.

Donate **NEW UNWRAPPED ITEMS** from our Holiday Wish List and you will help ensure that our 15 teenage mothers and their children will have a Christmas present to open on Christmas morning.

Our teens are young women between 14 and 19 years old. The children at Almost Home (both boys and girls) range in age from newborn to four years old.
